SELPA Policy and Procedures Guide review dates

- April 7 - 22 -- Review updated chapters: 1, 3, 6 & 7 (if you only have time for one chapter, look at chapter 1, after that, if you have no other preferences, read chapter 6 or 7.)
- April 26 -- next working session at the PEC offices.
- May 7 -- Summary at next CAC meeting

Check the CAC wiki (above) for updates. We plan to have a working meeting on April 23, to gather and summarize input on all 4 updated chapters. Prior to this meeting, you can e-mail comments in any form that is convenient to you: ed@gettheball.com.

For any further details, you may write me at the e-mail listed above, or call Ed Bratt (510) 531 3535 (leave a message and a couple of times when I could call you back).
