

OUSD Special Education Families & Community (CAC)

The CAC (Community Advisory Committee) is a state mandated consortium of parents, teachers, administrators and community members who advocate on behalf of students receiving Special Education services in the Oakland Unified School District. We invite you to attend our monthly Special Education Parents and Community Group/CAC meetings which are normally held on the first Monday of every school month. This is a great opportunity for you to learn about Special Education services, ask questions of the administrators, socialize, and build a network with other parents and guardians, professionals and community members.
